Verse 2:

There is no choice for me
 You are my only friend
 You came to me when I was bound
 And captive to my sin
 Your righteousness I could not match
 With efforts of my own
 What could I do but turn to You?
 The saviour of my soul

Verse 4:

There is no choice for me
 You are my hope, my life
 A helper in my helplessness
 An aid within my strife
 Your promises secure me safe
 Against the journey home
 Where joy will cover earthly grief
 And Love will reign alone

Verse 3:

There is no choice for me
 You love to save the lost
 The perfect, guiltless Son you loved
 Bears witness at the cross
 Your justice saw his punishment
 Your mercy set me free
 How can I steal my heart away
 When Love has captured me?
